Supavinee Sattayaporn
สมทมนตราจารย์ อ.สุภาวดี สัตยาพรณ์
[อธิการบดี]
Assoc. Prof. Supavinee Sattayaporn (Ph.D.)
President
Uttaradit Rajabhat University

Mission

1. To produce quality graduates with a positive attitude, who are good citizens in society, and possess competencies that meet the needs of employers.
2. To produce and develop high-quality teachers according to the standards set by the Teachers' Council.
3. To conduct research and provide academic services, transfer technology, and create quality knowledge and innovations that are recognized and standardized, with a focus on integration for practical benefits in the local community.
4. To develop the local community and promote arts and culture according to the community's potential, problems, and genuine needs, by implementing royal initiatives into practice.
5. To build a network of collaboration with all sectors for local development and strengthen community leaders by enhancing their virtues and capabilities to manage affairs for the benefit of the local community.
6. To develop the university's management system based on good governance principles, ready for change, to ensure continuous development.

Uttaradit Rajabhat University is committed to the pursuit of excellence in education and community engagement.
Uttaradit Rajabhat University dedicated to a mission of quality and value, driving local development.
