

# Asia Hub and CIAERA Annual Meeting 2024

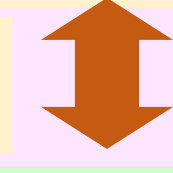

November 12-15, 2024 | Centara Riverside Hotel, Chiang Mai, Thailand

## Research and Development Goal

Uttaradit Rajabhat University's commitment to local community development through a series of projects. The university aligns its efforts with national strategies for science, research, innovation, and social development.

Strategies

Activities

The university is working to achieve these goals by building strong partnerships with the community, government agencies, and other stakeholders. The document concludes with a statement emphasizing the university's commitment to serving as a model for educational development and community empowerment.

### Areas of Strategic Action

1) Upgrading the system, mechanisms, and innovations for societal well-being to support the aging society and vulnerable groups (SDG 3/5)

2) Developing identity products from local resources to enhance the grassroots economy (SDG 1/8)

3) Managing the environment, achieving carbon neutrality, and modernizing agriculture and livestock ecosystems to enhance the production of high-quality agricultural products (SDG 6/12/15)

4) Promoting lifelong learning and creating economic opportunities for people of all ages in the area (SDG 4/5)

5) Elevating the creative economy based on culture, traditions, and local wisdom through community management (SDG 11)

6) Developing Digital Transformation systems for organizational and local development to keep pace with changes and create economic value (SDG 8/11/16)

7) Upgrading to sustainable environmental cities (Green City) for economic and social stability (SDG 7/13/15) and UI (Green University)
