BURAPHA UNIVERSITY

WISDOM OF THE EAST

BUU
BURAPHA UNIVERSITY
WISDOM OF THE EAST

Burapha University is developed from the college of Education, Bangsaen. It is the first higher education institution in Thailand located in the region. It was established in 1955. Then it was promoted to Srinakharinwirot University, Bangsaen Campus, in 1974. In 1990, it was changed to Burapha University. It became an autonomous university in 2008.

Burapha University is determined to be a university with a wide range of expertise. It carries out the mission by balancing the needs and expectations of learners and all key stakeholders. It is a supporter of knowledge and wisdom of society in the area and the country towards the vision of
“Burapha University : Wisdom of the East”

The wisdom of **performance arts and artistic creations.**
The wisdom of **outstanding holistic medical health training.**
The wisdom of **interdisciplinary learning innovation.**
The wisdom of **learning sources in sciences and technology.**
