

Asia Hub and CIAERA Annual Meeting 2024

November 12-15, 2024 | Centara Riverside Hotel, Chiang Mai, Thailand

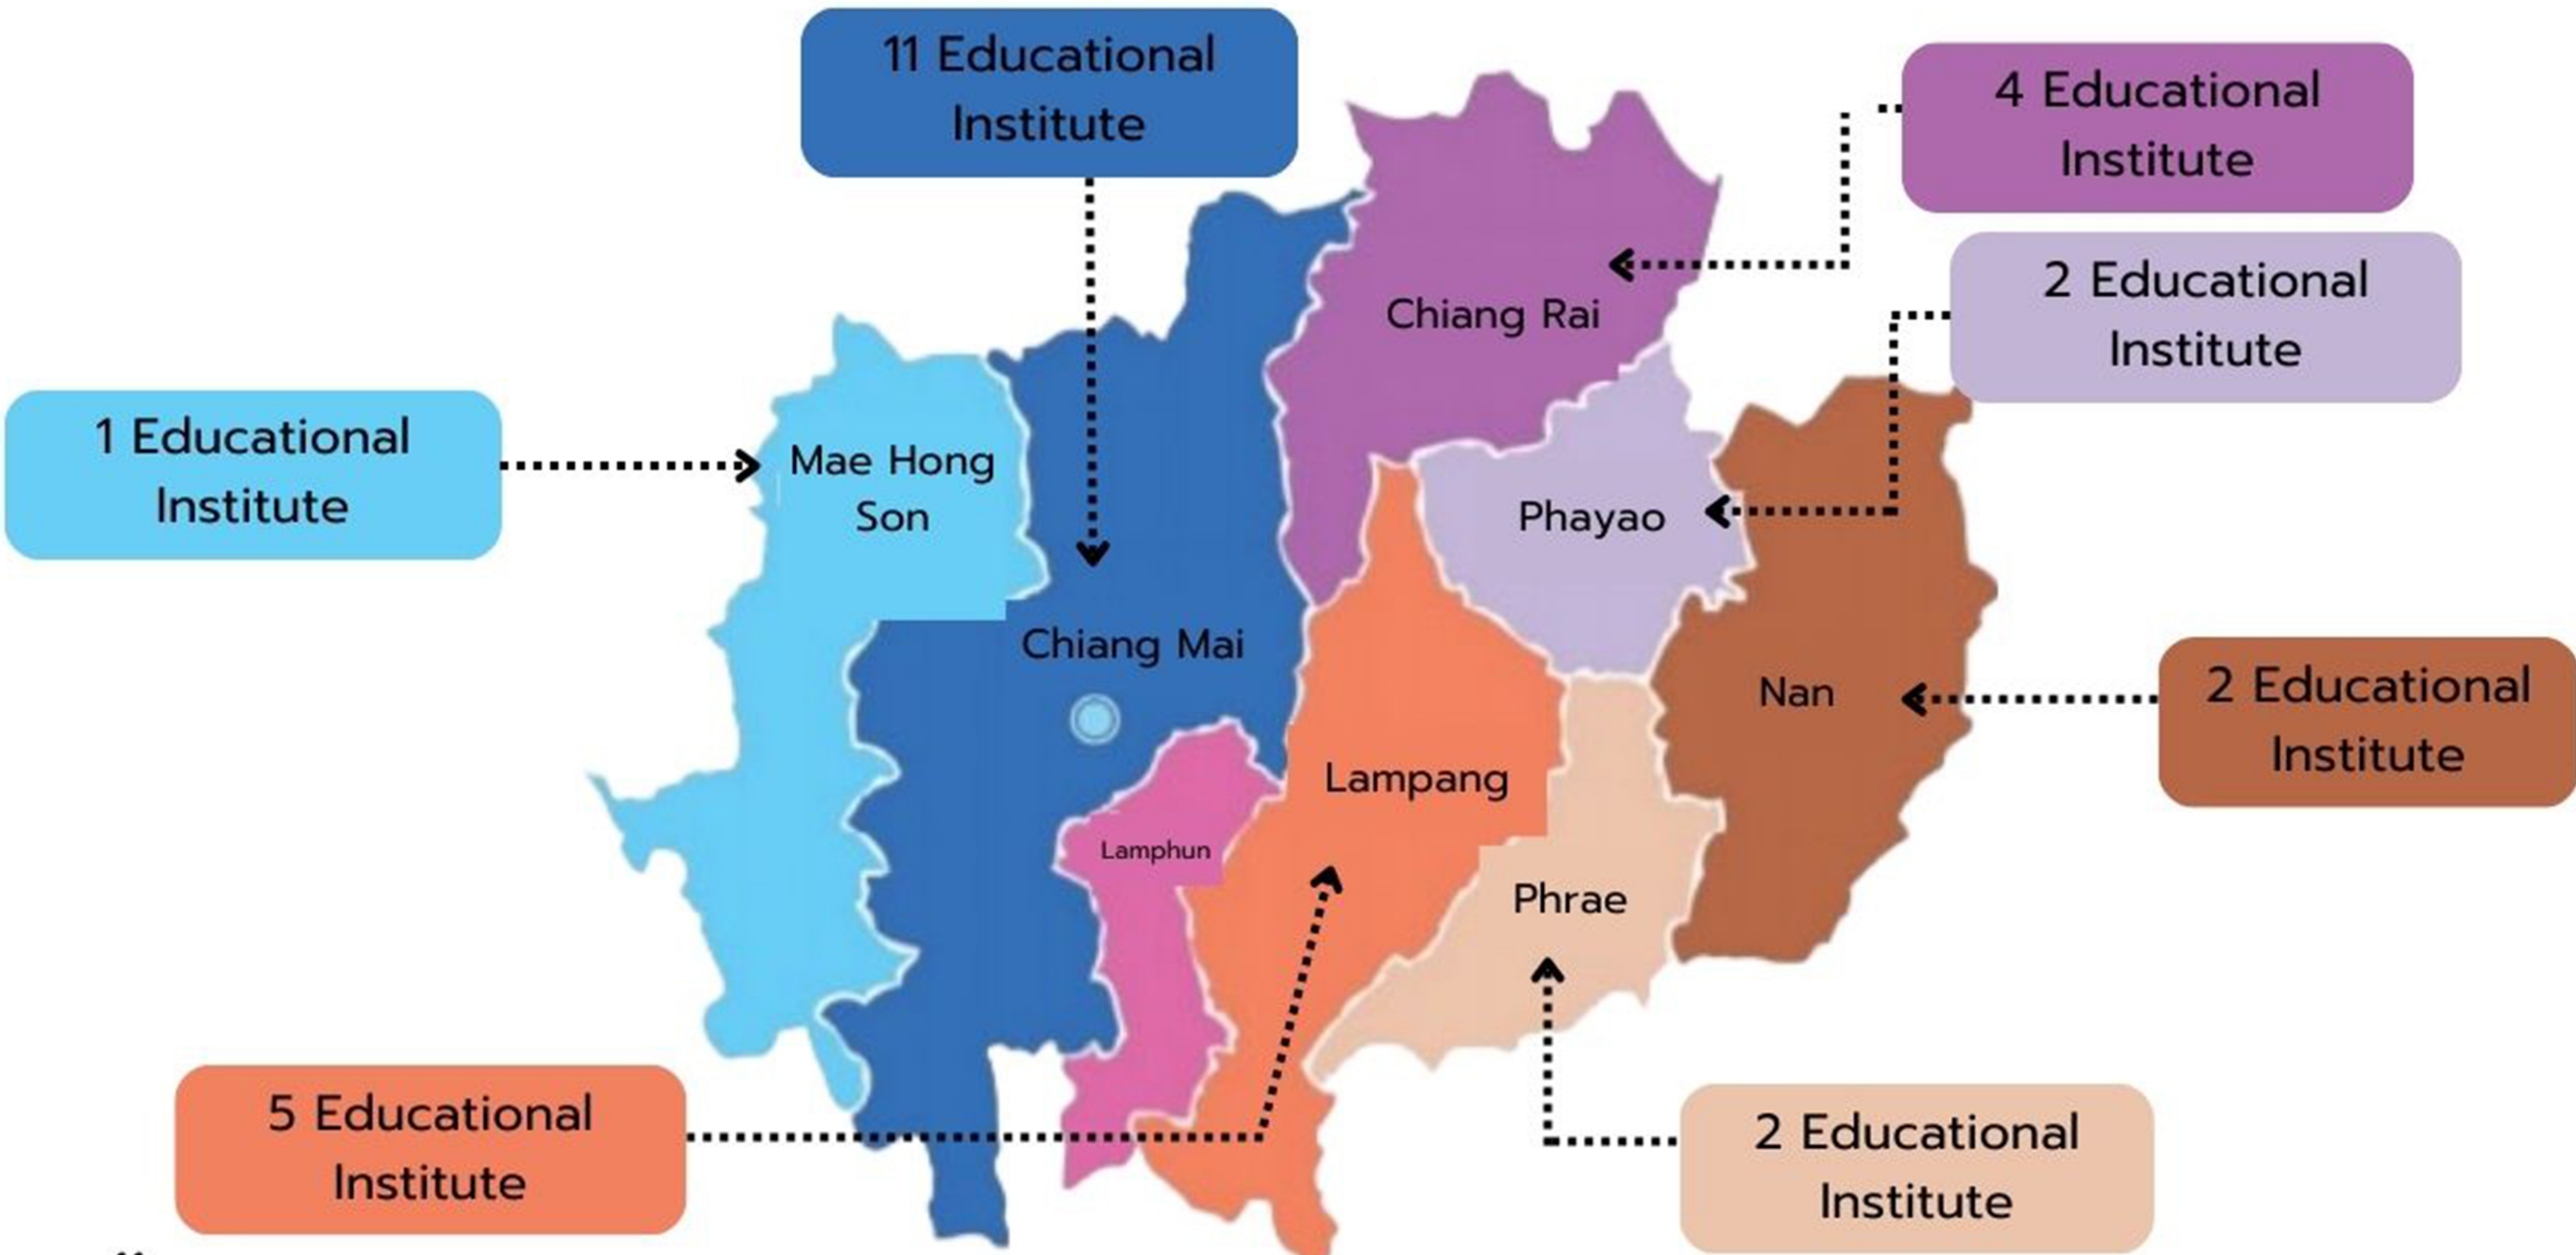

Upper Northern Research Administration Network

“ It is one of the nine research networks of higher education institutions in Thailand under the research and innovation project for transferring technology to grassroots communities, supported by the Office of the Permanent Secretary for Higher Education, Science, Research, and Innovation. The objective is to collaborate in developing and creating research that aligns with strengthening communities and the grassroots economy in the upper northern region. ”

Professor Emeritus Dr.SANCHAI JATURASITHA
Chairman of Upper Northern Reserch
Administration Network

“ There are 27 higher education institutions, both public and private, in 8 provinces of the upper northern region that are members of the network. ”
