

# Asia Hub and CIAERA Annual Meeting 2024

November 12-15, 2024 | Centara Riverside Hotel, Chiang Mai, Thailand

**Michigan State University** has been advancing the common good with uncommon will for more than 165 years.

The premier land-grant university in the United States, MSU was founded with the goal of democratizing higher education and bringing science and innovation into everyday life. Today, MSU is recognized as one of the world's leading research universities, pushing the boundaries of discovery to make a better, safer, healthier world for all while providing life-changing opportunities to a diverse and inclusive academic community through more than 400 programs of study in 17 degree-granting colleges.

MSU's approach to global engagement prioritizes building strategic partnerships and networks that connect expertise across countries, projects and disciplines. This approach allows us to create responsive and innovative teams that can effectively address local problems while facilitating the transfer of knowledge to be adapted for another region or context.
